Notes:

⁽¹⁾ The monthly sewer service charge is calculated by multiplying 90% of the customer's average water consumption for the prior December, January and February by the rates shown above. In addition, a customer service charge of \$0.86 per account is added and environmental charges totaling 18.953% are applied to the sum of the sewer service charge and the customer service charge. Applicable city tax is added for customers located within the City of Scottsdale.

⁽²⁾ The monthly minimum charge includes the customer service charge and environmental charges. Applicable city tax is added for customers located within the City of Scottsdale.
